Teaching profile

I plan every lesson around the learner's goals, age, level, and interests. With a student-centered approach, I bring speaking, vocabulary, grammar, and pronunciation work together with real-life communication.

Lesson areas	Everyday and conversational English, English for beginners, English for children, English homework support
Learners	Children, Teenagers, University students, Adults; every level, from beginner to proficient
Focus	Speaking and conversation, Vocabulary, Grammar, Pronunciation, Real-life communication, Confidence
